

Dear Guest,

Thank you for choosing La Fonda Heritage Hotel Relais & Châteaux for your upcoming visit to Marbella.

To ensure you have a pleasant arrival, we would like to take a moment to inform you about the best way to reach our hotel by car.

A historic boutique hotel located in the heart of the old town of Marbella. La Fonda Heritage is the first Relais & Châteaux hotel in Marbella and Andalusia, offering a magnificent history dating back to the 16th century. A meeting place for the jet set during Marbella's golden years, La Fonda Heritage has been carefully restored to recapture that glamor with a contemporary design full of exclusive details and modern comforts.

Our advice to our clients who decide to visit us by car is to enter the address of the **PARKIA car park - Plaza de la Victoria**, located at **C. Huerta Chica, S/N, 29601 Marbella, Malaga**, in their navigation system. Once you have reached your destination, follow our instructions to easily find our hotel.

Continue straight ahead, leaving the car park entrance on the right. Turn right onto Calle Peral and continue straight until Calle Peral becomes Calle Ancha. Continue along Calle Ancha for 140m and you will find our hotel on the left.

On arriving at the hotel you will find a spot on the right hand side where you can park your car for 15 minutes. We will be delighted to assist you to unload your luggage from your car. Our staff will then explain how to get to the nearest car park from the hotel.

There is a public car park 3 minutes walk from the hotel. We have a limited number of spaces available for our guests at a cost of €25 per day. Please contact us to reserve your parking space.

**I would like to reserve a parking spot for my stay**

From the *Parking Mercado de Marbella telpark car park by Empark* it is quicker to walk to our hotel than to drive. Walk through the small streets of the old town and you will reach the hotel in less than 2 minutes. Our staff will give you all the tips and shortcuts of Marbella's old town.

Best regards,

Reception Team
